

OPTIMIST COMPLEX TRAIL IMPROVEMENTS

Project No. 127-E1-000, Optimist Complex Trail

PROPOSAL FORM

The City of Lexington will accept proposals until 10:00 local time, April 19, 2018 at Lexington City Hall on the Optimist Complex Trail Improvement project. The undersigned, having carefully examined the proposal form, drawings and specifications for the Optimist Complex Trail Improvement for the City of Lexington, have personally reviewed the site conditions for the execution of such work according to the following schedule of approximate quantities as set forth. Work will be completed in accordance with Miller & Associates Specifications, Section 12 – Portland Cement Concrete Pavement. Work incidental to construction includes but it not limited to mobilization, subgrade preparation, piping installation, installation of expansion joint, tie bars, joint sealing, barricades & and other subsidiary work. Borrow material required for construction may be obtained north of the intersection of 20th & Airport Road.

Item No.	Description	Quantity	Unit Price	Total Amount
